Thanks! You should be able to get the documents from the SAB website but I'm going to try to attach them here.

Thanks!

Hi Samantha:

I don't mind doing this. You did not send me the attachments. I can go on the SAB website to get the information.

Thanks.

Hi Chris,

We just found out that the SAB is hosting two meetings for the benzo[a]pyrene peer review. The first meeting is a public teleconference on Wednesday, March 4<sup>th</sup> from 1-4 EST. Can you send an invite to NCEA ALL and get 7100? I will need to get the teleconference information from the SAB closer to the meeting.

Also, the SAB is hosting a face-to-face meeting on April 15, 16, 17 (Wed-Fri) at the Milken Institute School of Public Health in the Convening Center Room of George Washington University. The meeting will be from 9:00am to 5:30pm on the 1<sup>st</sup> day and then from 8:30am-5:00pm on the 2<sup>nd</sup> and 3<sup>rd</sup> days.

I am attaching the FRN announcing the meetings with the details for attendance and such. I am also attaching the determination memo that announces the final panel that will be reviewing benzo[a]pyrene. Could these be included in the invites?

Thanks and let me know if you mind doing this!!

Samantha
